

Use of Personal Information Agreement

Name of Team: _____

Player Name: _____

Use of Personal Information (Travel Teams)

Personal Information is being collected by the officials of the above Team to assist with fundraising activities and posting of team information on the LMHA website.

- This information, including but not limited to, team and individual images or photographs will be included in a printed Calendar/Program that will be distributed into the public domain. Distribution will include other Team member's families, sponsors, and in general many residences and businesses in our community.
- This information will not be distributed to a third party for any other reason than its intended use.
- The website information posted will include an information page, image of the team, and may include team event photos; but none of these will identify any specific player by name. The information page will be in the public domain.
- Additional website information such as team and player specific information will be published in a password protected area of the site for viewing only by the LMHA members and their families.

I hereby grant the LMHA, and the above Team the irrevocable right to use, at their sole discretion any image/information and or photographs of or about myself for publication in a Team Calendar/Program for the purpose of raising funds for use in supporting team activities. I also grant the use of my personal information for use as outlined in the public and password protected areas of the LMHA website. I understand that this may include written or pictorial materials.
