Vollmer Complex Patrons and Visitors,

Beginning on January 4, 2022, all visitors 12 and older entering the Vollmer Culture and Recreation Complex must show their enhanced vaccine certificate with QR code. The Province of Ontario requires the use of the enhanced COVID-19 vaccine certificate with QR code effective January 4, 2022. The Town of LaSalle will use the Verify Ontario app to scan the QR codes.

We appreciate your cooperation as we continue to follow the directives of our public health officials to keep everyone safe.

To download your enhanced vaccine certificate (with QR code), complete the following:

1. Visit <https://covid-19.ontario.ca/get-proof/>
2. Answer the 4 questions required, then select confirm.
3. You will be directed to a new page. Select the box to download your enhanced vaccine certificate (or book your vaccine appointment)
4. Enter your health card number, date of birth and postal code
5. Select continue to receive your QR code
6. Print or screenshot a picture of your QR code to have with you when attending the Vollmer Complex
